

Hagley Museum and Library Tribute Bench Availability

As of April 2026

This is an example of the teak bench and memorial plaque that will be installed. Installation on hardscaping or poured/concrete footings will be done whenever possible to provide safe seating and prolong bench life.

#38 Belin House Shuttle Stop

Note: This document shows placement ONLY for new teak benches. The benches depicted in these photos are not the benches designated for new tribute gifts.

Hagley Commemorative Bench Gift Agreement

The required donation threshold to commemorate a bench is \$3,000 to cover purchase of teak bench and maintenance costs over the lifetime of the agreement. Hagley will dedicate a new bench furnished with a protective coating; natural weathering will nonetheless occur and will over time alter the bench's patina. This is considered normal. Terms of recognition and upkeep obligations (structural repairs, power-washing as needed) are for the lifetime of the bench or 10 years from installation date, whichever occurs first. Hagley will replace or repair the bench within the term limit in the event of natural disaster or other unanticipated damage to the bench, necessitating such repairs or replacement. After the term limit for recognition is reached, Hagley has the prerogative to assess the bench's useful life and retire or revive the bench. Hagley may invite donor(s) to consider renewing their contribution to continue the terms of recognition and support upkeep costs.

BENCH PLAQUE INSCRIPTION Please keep inscription to 3 lines, 20 characters max per line including spaces
