Hagley offers wonderful programming during the winter months, including Science Saturdays and Victorie’s Valentine’s Day. Here are some facts about Valentine’s Day:

• In Victorian times it was considered bad luck to sign a Valentine’s Day card.
• About three percent of pet owners will give Valentine’s Day gifts to their pets.
• About one billion Valentine’s Day cards are exchanged each year.
• In Finland, Valentine’s Day is called Ystävänpäivä, which translates into “Friend’s day.” It is more about remembering your friends than your loved ones.
