Exposure to Covid-19 is an inherent risk in any public location where people are present: we cannot guarantee you will not be exposed during your visit.

The CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from Coronavirus. Guests should evaluate their own risk in determining whether to attend. People who show no symptoms can spread Coronavirus if they are infected; any interaction with the general public poses an elevated risk of being exposed to Coronavirus. By coming to the Craft Fair, you acknowledge and agree that you assume these inherent risks associated with attendance.

This event is completely outdoors and requires walking.

You are buying a timed ticket with a one-hour window when you can enter the event. There is no limit on the amount of time you can stay.

Tickets are required for everyone in your party (includes members and children 5 and under).

There will not be food available to purchase for lunch, so please plan accordingly.

Masks are required at all times for guests age 12 and over.

This event is Covid-19 compliant and meets all requirements of the State of Delaware Department of Public Health.

Total Cost: \$0.00
