The Ellen DeGeneres Show is looking for creative kid inventors! If you have an invention that you would like to share, please create a 2-3 minute video for us to view. A private YouTube link or an e-mailed link of the video is best (you can also use a free file sharing service like [www.wetransfer.com](http://www.wetransfer.com)).

- **Sending your video:** Upload a link to your video in an email. Please put "Kid Inventor" in the subject line and send it to: [sarah.krauss@ellentv.com](mailto:sarah.krauss@ellentv.com)
- **Tips:**
  - Child must speak on their own... parents and teachers should not participate

  - Child must talk about their invention and **show us how it works**
  - Please record in a quiet place – no TV, music, air conditioner, etc.
  - Avoid standing in front of a window or light while filming – we want to see your face!

Happy inventing and have a great day!
